101 Things I Learned in Urban Design School by Matthew

101 Things de-mythologizes the jargon that obscures the real meanings of what is taught in design schools. Designers too often write in obtuse terms that make relatively simple concepts difficult to comprehend. But understanding how we perceive, experience, and interpret the spaces we inhabit should not make us feel dumb, or left out. This readable and graphically clear book is a great ...

101 Things I Learned in Architecture School | The MIT Press

101 Things I Learned in Architecture School are brief tutorials in design, drawing, the creative process, and presentation from the basics of how to draw to the complexities of design theories. Each lesson is a two-page format, one for explanation and another a diagrammatic or creative illustration to support graphically the author's statement. So, the ultimate aim is making concrete ...
