

**african literature pdf**

African literature is literature of or from Africa. As George Joseph notes in his chapter on African literature in *Understanding Contemporary Africa*, whereas European views of literature often stressed a separation of art and content, African awareness is inclusive:

**African literature - Wikipedia**

African-American literature is the body of literature produced in the United States by writers of African descent. It begins with the works of such late 18th-century writers as Phillis Wheatley.
